Directions to Chalet One

From Calais/Boulogne and Lyon Airport (SAINT EXUPÉRY) to Albertville

Coming from the channel ports of either Calais or Boulogne on the motorways (autoroutes), the route is very easy and well signposted. Immediately you come off the ferry, head for the A26 towards St. QUENTIN, REIMS (it will also be signposted Paris to start with, but our route avoids going anywhere near the dreaded peripherique). The A26 continues past TROYES and eventually becomes the A31 from where you need to head for DIJON, MACON and LYON.

As you approach Lyon, look out for signs for SAINT EXUPÉRY (Lyon Airport) and take these, therefore avoiding the centre of Lyon. From Lyon, follow all signs to CHAMBÉRY on the A43. From Chambéry the A43 continues to ALBERTVILLE, where the motorway ends.

From Geneva Airport to Albertville

On leaving the airport, follow signs for FRANCE and ANNECY (in Switzerland green signs indicate motorway and blue indicate main roads - once in France it's the other way round!). These will take you to the border, near St. Julien.

In France, follow signs for Annecy which will take you off the motorway onto the N201. Once at Annecy, follow signs for ALBERTVILLE and the N508 (follow "Toutes Directions" or simply straight on otherwise). These will take you through Annecy. Follow the main road, N508, to Albertville (approx 45mins from Annecy) past Lake Annecy. Before reaching Albertville, you will pass through a couple of small towns, including UGINE. At UGINE you will turn right onto the N212, towards Albertville.

From Albertville to Chalet One

From Albertville, follow signs to MOUTIERS and TARENTEISE. Once at Moutiers, follow signs to BOURG ST. MAURICE and TARENTEISE.

Once at Bourg St. Maurice, you are only 15 minutes from Chalet One! On entering Bourg, you will come to a mini-roundabout; take the first turning off this. Go straight over the traffic lights, past the train station on the right, and onto the next roundabout, where you follow signs to VAL D'ISÈRE, TIGNES. You will then come to another roundabout; once again, follow signs to Val D'Isère, Tignes and Sainte-Foy-Tarentaise.

The first village you come to is SEEZ, at the end of which is a fork in the road. Take the right hand fork, signposted, once again, Sainte-Foy-Tarentaise, TIGNES, VAL D'ISÈRE. This road winds along through several

little villages in the valley, then starts to climb. You will then come to Sainte-Foy-Tarentaise. There are a church, hotel and shops on the left hand side, before the road turns quite sharply right. Follow the road round this right bend and continue on for about 100 yards. The turning for our village is on the left hand side and is signposted, LA MASURE, LE MIROIR and LA ROSIÈRE DE MONTVALEZAN. Follow this road up for about a mile without turning off. The first village you come to on this road is our village, La Masure. Drive straight through, (don't turn right at the "green") until you reach the last house, which will be on your right, next to the road. This is Chalet One. If you get to the bridge, you've gone too far! (You can turn around at the bridge and then take the little slip road in front of our house.) Chalet One is a tall house with a fairly flat roof; you will see the Chalet One sign and lots of stone steps up to the door to the far side.

Flights & Transport from the airport

There are several airports to choose from. The closest is Chambéry (transfer time 1h30), then Geneva and Grenoble (2h00), then Lyon (2h30). For details of airlines flying into all these airports, you may find Skyscanner useful.

- Chambéry: Flybe, EasyJet and jet2
- Grenoble: Ryan Air and EasyJet
- Lyon: British Airways, EasyJet and BMIbaby
- Geneva: British Airways, EasyJet and BMIbaby

You can get an instant quote and book your airport transfers on-line at www.alpynecab.com or www.thecoolbus.co.uk (particularly useful for small group numbers).

If you are hiring a car, there are numerous companies, for example www.carrentals.co.uk. The cost of hiring a car can be less per person than a private transfer from the airport. We would always recommend snow tyres and snow chains.

Regular coach services run from Geneva Airport (www.altibus.com) and Lyon St Exupéry (Satobus Alpes) only, to Bourg Saint Maurice until approximately 6pm. Alternatively phone direct on 00 41 227982000 for Geneva only, for English speaking operators.

By Train

Travel overnight or during the day with Eurostar Direct Ski Train and get up to two extra days on the slopes. Trains arrive at Bourg Saint Maurice which is 15 minutes' drive from Chalet One – we can pick you up if required.
